St. Supéry Estate Vineyards and Winery is a 100% Estate Grown, sustainably farmed winery located in the renowned Rutherford growing region in the heart of Napa Valley. Committed to producing the highest quality estate wines without compromise, we focus on sustainable winery and farming operations to protect the land and environment for future generations. Our Napa Valley Estate collection includes Sauvignon Blanc, Cabernet Sauvignon, Oak Free Chardonnay, Rosé and Moscato. These wines are balanced and showcase bright, fruit-forward flavors.

WINEMAKER'S NOTES This radiant Sauvignon Blanc presents with pale yellow hues and glinting hints of green. Pristine estate fruit is showcased on the nose, where this wine gives generously of pink grapefruit and lime citrus aromas with a subtle thread of passion fruit and fennel. In the cellar, minimal intervention yields a vivid expression of freshness on the palate with flavors of grapefruit and lime zest zinging through the finish to create a wine of agility, brightness and devotion to its essence.

VINTAGE 2017 An extreme winter in 2017 left our lakes full which was welcome after several dry years. This ground water primed the vineyards for what turned out to be another wonderful harvest. Early spring saw nice days with May quickly warming up. The summer experienced a number of heat spells and caused the vineyards to accelerate their ripening, while conditions remained dry. Harvest commenced with Sauvignon Blanc on August 21 and was swift due to this coinciding with a significant warm spell over Labor Day. The fruit arrived in great condition and the results have been rewarding. Harvested in the cool morning hours to preserve the delicate flavors, the fruit was received in the cellar, where the grapes were pressed to tank and immediately chilled and settled prior to fermentation in stainless steel tanks.
