

2017 NAPA VALLEY, DOLLARHIDE ESTATE VINEYARD SEMILLON

St. Supéry Estate Vineyards and Winery is a 100% Estate Grown, sustainably farmed winery located in the renowned Rutherford growing region in the heart of Napa Valley. Dollarhide Ranch is a 1,530+ acre property with steep, rolling hills, some flat lands, seven lakes and a vast array of wildlife located in the northeastern hills of Napa Valley. With elevations ranging from 600 – 1,100 feet, we have planted over 500 acres of grapevines, leaving the rest of the property to thrive in its natural state. Committed to producing the highest quality estate wines without compromise, we focus on sustainable winery and farming operations to protect the land and environment for future generations.

WINEMAKER'S NOTES Bright pale yellow hues sparkle with brilliance in this wine. Aromas of brioche and lemon are complemented by slight notes of honeysuckle. The rich palate highlights crisp notes of lemon curd and kiwi with a touch of toasted French oak on the long finish.

VINTAGE 2017 An extreme winter in 2017 left our lakes full which was welcome after several dry years. This ground water primed the vineyards for what turned out to be another wonderful harvest. Early spring saw nice days with May quickly warming up. The summer experienced a number of heat spells and caused the vineyards to accelerate their ripening, while conditions remained dry. Semillon was harvest began on September 9. The fruit arrived in great condition and the results have been rewarding. Harvested in the cool morning hours, the grapes were pressed to tank and immediately chilled and settled prior to fermentation. Fermentation was completed in barrel at cool temperatures to maintain and enhance the natural flavors. The final blend was completed after 5 months of sur-lie maturation.
